PROFESSIONAL SUMMARY

Diploma Information Technology student with hands-on experience developing web applications using PHP, JavaScript, HTML, CSS, MySQL, and foundational knowledge of Microsoft Azure through coursework. Experienced in building CRUD functionality, database-driven applications, responsive interfaces, and deploying websites. Seeking Software Engineer, Web Developer, or Full-Stack Developer internship for **September 2026 – December 2026**.

TECHNICAL SKILLS

Programming: HTML, CSS, PHP, JavaScript, Python

Database: MySQL, SQL, phpMyAdmin

Tools: Git, GitHub, Visual Studio Code, XAMPP

Concepts: Object-Oriented Programming, Data Structures, Algorithms, CRUD, Debugging, UI/UX, SDLC, Responsive Web Design

Cloud: Microsoft Azure

SOFT SKILLS

• Teamwork • Communication • Problem-solving • Time Management • Adaptability

ACADEMIC PROJECTS

(May 2026 – August 2026)

Student Attendance System (Final Year Project)

- Designed and developed a web-based university student attendance system using HTML, CSS, PHP, and MySQL.
- Implemented CRUD functionality for attendance records and integrated a centralized database for efficient data management.
- Developed attendance tracking and percentage monitoring features to help identify students below the attendance threshold.

(July 2026 – August 2026)

E-Commerce Website

- Developed an e-commerce web application using PHP, JavaScript, HTML, CSS, and MySQL.
- Collaborated with a teammate to develop the system interface and integrate frontend components with backend functionality.

(May 2026 – July 2026)

Static Website Portfolio

- Designed and developed a responsive personal portfolio website using HTML and CSS.
- Implemented responsive layouts and user-friendly navigation to present projects, technical skills, and contact information.
- Deployed the website using Netlify.

(September 2025 – December 2025)

Library System

- Collaborated with team members to develop a web-based library management system.
 - Developed system interfaces using HTML, CSS, JavaScript, PHP, and MySQL.
-

EDUCATION

(September 2024 – Present)

Diploma in Information Technology

UNITAR International University, Selangor

CGPA: **3.44**

PROFESSIONAL EXPERIENCE

(May 2025 – February 2026)

Sales Assistant – Analogue Apotik, Kuala Lumpur

- **Retail Operations:** Supported daily retail operations, managed cash register transactions, and delivered high-quality customer service.
- **Customer Engagement & Communication:** Resolved customer issues through effective communication and strong interpersonal skills.

(March 2025 – May 2025)

Barista (Part-Time) – Zus Coffee, Metro Cheras Residence

- **Customer Service & Operations:** Served hot and cold beverages according to brand specifications, and managed daily cash register transactions.
